

EUROPEAN HEALTHCARE DESIGN AWARDS 2017 SPONSORSHIP

ROYAL COLLEGE OF PHYSICIANS LONDON | 11-14 JUNE 2017

EUROPEAN HEALTHCARE DESIGN

RESEARCH • POLICY • PRACTICE

The European Healthcare Design Awards 2017 aim to set new standards in the creation of healthcare environments that promote health and wellness, support the delivery of treatment and care in an accessible, economic and equitable way, and embed quality improvement.

Organised by Architects for Health and SALUS Global Knowledge Exchange, the awards are an integral feature of the prestigious European Healthcare Design 2017 Congress & Exhibition, held at the Royal College of Physicians, from 11–14 June.

Comprising ten categories across primary, secondary and tertiary levels of international healthcare provision and delivery, the awards, which are evaluated by some of the world's leading researchers and practitioners in healthcare design, will contribute towards the development of knowledge and standards in the design of healthcare environments around the world.

The awards ceremony will be held during the final session of the European Healthcare Design 2017 Congress in front of a capacity audience of more than 350 international delegates. This prestigious event will be the climax to the congress, and the culmination of a six-month worldwide submission process and rigorous judging to identify the world's leading healthcare projects, research and design innovations.

By sponsoring the awards, you can show your support and recognition of the outstanding performances of the award winners, aligning your brand in UK, European and international markets around the values of design excellence and innovation.

As well as the chance to network and enjoy photographic and video opportunities with the award judges and winners, your brand will also gain international exposure through the digital marketing around the congress and the awards. This includes promotion of the call for entries and shortlist announcement before the event, in press releases and e-news announcements of the awards winners, and in the publication of videos of the ceremony after the event.

We look forward to confirming your support and partnering with you in the raising of design standards.
