SPONSORING KNOWLEDGE & IMPROVEMENT

The 3rd European Healthcare Design 2017 (EHD 2017) Congress & Exhibition will be held from 11-14 June, 2017 at the Royal College of Physicians in London, UK.

Organised by Architects for Health and SALUS Global Knowledge Exchange, the congress observes a whole system approach to understanding how to redesign European health systems and services through the exchange of knowledge, research and international best practice on the relationship between health service and system design, technology and the built environment.

EHD 2017 also incorporates the Union of International Architects - Public Health Group Annual Seminar and the Global University Program for Healthcare Architecture Meeting, establishing it as the world's leading forum for researchers, policy-makers and practitioners in the field of healthcare design.

Papers are presented by some of the world's leading experts through a variety of presentation formats, including themed papers, posters, workshops and colloquiums.

Sponsoring thought leadership and raising visibility

We are delighted to invite sponsors and exhibitors to commit their support towards this prestigious, world leading event.

By sponsoring or exhibiting at the EHD 2017, your organisation is supporting and participating in the exchange of knowledge between the world's leading researchers, practitioners and policy-makers.

A knowledge-led approach, creates opportunities to align your brand to a range of content-focused sponsorships, including: themed sessions and posters; workshops; and colloquiums; or networking focused events, such as the welcome reception; the garden party; or the awards programme. These can be combined with branding opportunities to raise visibility, such as an exhibition stand, conference bag and name badge sponsorship, and advertising in the final programme. In addition, at our own dedicated networking platform and online journal at www.salus.global, we offer the ability to build digital marketing and brand engagement with the congress participants all year round.
