Event log in page

3. When you first log into the event you will be prompted to create a profile, we recommend doing so and filling out as many of the fields as possible, including social links and your interests. Other attendees will be able to see your image and profile information which will facilitate networking opportunities in-person or virtually.

## Fill in your basic info

Add your social links

## Provide your interests to network with link-minded delegates

4. Once you've completed your profile you will be asked to set your timezone. If you're attending in-person we recommend setting it as **(UTC +01.00) Europe/London (BST)** so that when you're at the event the times are correct for you. If you're attending virtually you should set it to the timezone where you are based so that the sessions in the agenda show the correct time.

## The city – Liverpool and travel

Discover a variety of things to do in Liverpool, including a lively waterfront, grand architecture, and a vibrant arts and culture scene. Liverpool is a compact, walkable and liveable city that encourages outdoors exploration. The city has more galleries and museums than any other city outside London, and a passion for sports including two of the world's historic football clubs, Liverpool FC and Everton FC.

During your visit to the Congress, take time to visit the legendary Cavern Club, where live music is played every day, or book an electrifying performance of the Royal Liverpool Philharmonic Orchestra, the UK's oldest continuing professional symphony orchestra. If you're a fan of the Fab Four, then don't miss a visit to the award-winning 'The Beatles Story', the world's largest permanent exhibition purely devoted to telling the story of their lives.

Liverpool's wider art scene is vibrant, inspiring and democratic. Liverpool is the host city of the UK's Biennial of Contemporary Art: a celebration of all that art can do to transform places and people. Home to the National Collection of art in the North, Liverpool's Walker Art Gallery contains one of Europe's finest collections of paintings, drawings, sculpture and decorative art, from Pre-Raphaelite masterpieces to David Hockney's shimmering sixties' canvasses. Elsewhere, the Tate's northern base offers an always-vital assessment of contemporary art, complemented by the city's artist-led galleries.

Visit Liverpool at night and you'll be able to enjoy a whole new selection of exciting things to do, including top restaurants and bars in the city's Baltic Triangle.
